

STEEL SOLUTIONS

Responsive, Innovative Solutions For The Steel Industry

Four generations of family ownership have been the key to our success for over 100 years. Our dedicated machinists and engineers at Atlas Machine & Supply, Inc. are the force behind our standard of excellence in service and quality. Your confidence in us is our top priority. Our commitment to meeting your needs is evident with both our **in-house** fully equipped machine shop, with over 100,000 square feet of floor space and crane capacities of up to 40 tons, and our **on-site** machining capabilities where we bring the solution and the experts to you! We are prepared to meet the most challenging problems and provide solutions with fast, effective service.

24 HOURS PER DAY 7 DAYS PER WEEK 365 DAYS PER YEAR

Atlas understands that machines do not break down according to your schedule. That's why we are available 24/7/365. We're here when you need us most.
